FAQ'S...

1. What NDIA funding can I use?

- Increased social and community participation
- Finding and keeping a job

2. What is the group size?

The group size is small, with a maximum of 8 participants in the group.

3. Can I do this program as well as my SLES Program?

Yes, you can individualise your current SLES program, to have a combination of both individual and group support. Path to employment can replace your weekly 3hr SLES shift.

4. Who is the program for?

The program is ideal for customers over the age of 17 who want to improve their employment skills in a comfortable, nurturing and all-inclusive learning environment.

4. Can I participate in the program for more than one term?

Yes, each term will cover slightly different topics and will involve varied site visits and content.
