# WHAT YOU NEED TO KNOW...

## RATIOS AND STAFFING FOR SAFETY

Safety of our customers and staff is paramount at Leisure Networks. To ensure our groups have a fun and safe time with us please note that as a minimum:

- ✓ At least 2 staff will always be rostered for any trip to Melbourne
- ✓ Activities deemed high risk (including water activities) will be staffed at a ratio of 1:2

## BOOSTER SEATS

If your child currently uses a booster seat when travelling in a car, please contact us on 03 5222 3911 to discuss how we can support their safe transport when in a Leisure Networks vehicle

## REFUNDS

If you cancel from an activity we are not obliged to provide a refund. Refunds will be determined based on time out from activity, ability to fill your place and whether tickets have been pre-purchased.

## THE IMPORTANCE OF MYKIS

As we use public transport a lot for our programs, it is vital that all participants have an active MYKI card that is loaded to allow for transport to and from Melbourne (approximately \$15) and around Geelong. No MYKI may result in not being able to attend the booked activity.

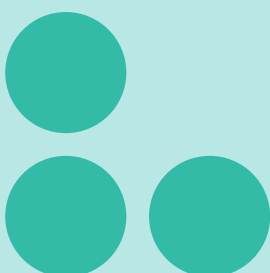

## CHANGES TO PROGRAMS

Whilst the utmost care is taken to ensure the scheduled activity is available at the time and location advised, there may be times where slight changes may be required to ensure maximum enjoyment out of the day. This may include circumstances regarding weather, public transport and availability of activities. Should there be any changes to your scheduled activity, a phone call or text will be sent at least 24 hours prior to the start of the session.

## BEFORE & AFTER HOURS SUPPORT/TRANSPORT

At Leisure Networks we understand that working parents may require extra support during school holiday periods. As such, we are happy to accommodate requests for before or after hours support. To assist us to provide this service, we ask that all requests for extra support must be received with at least two weeks prior notice.

Extra support is deemed anything earlier than 10 minutes prior to the start of a scheduled activity, or any time after the scheduled finish time. NDIS charges apply for these supports. Home pick-ups/ drop off's can sometimes be arranged.

Please call us on  
**5222 3911**  
to discuss any extra  
support requests.
