Out of pocket costs will vary based on the type of activity the group are participating in. For cash payments or assistance with bookings please call (03) 5222 3911 or email assist@leisurenetworks.org.

WHAT YOU NEED TO KNOW

Ratios and Staffing for Safety

This program is suitable for people who can be supported in a small group of between 3 and 5 people. If you require 1:1 or 1:2 support please call us to discuss. Please note, you will be charged at the appropriate rate depending on the size of the group, nothing group size may vary between activities.

Safety of our customers and staff is paramount at Leisure Networks. To ensure our groups have a fun & safe time with us please note that as a minimum:

- ✓ At least 2 staff will always be rostered for any trip to Melbourne
- ✓ Activities deemed high risk (including water activities) will be staffed at a ratio of 1:2

Funding

Booking and paying the out of pocket costs via the website registers your place on the program, however final confirmation is completed once we ensure you have the sufficient and appropriate NDIS funding available. A new service booking may be required to confirm your place and the LN team will work with you to arrange this.

Booster Seats

If your child currently uses a booster seat when travelling in a car, please contact us on 03 5222 3911 to discuss how we can support their safe transport when in a Leisure Networks vehicle.

The Importance of MYKI

As we use public transport for a lot for our programs, it is vital that all participants have an active MYKI card that is loaded to allow for transport to and from Melbourne (approximately \$15) and around Geelong. No MYKI may result in you not being able to attend the booked activity.

Changes to Programs

Whilst the utmost care is taken to ensure the scheduled activity is available at the time and location advised, there may be times where slight changes may be required to ensure maximum enjoyment out of the day. This may include circumstances regarding weather, public transport and availability of activities. Should there be any changes to your scheduled activity, a phone call or text will be sent at least 24 hours prior to the start of the session.

Departing on Time

We like to offer a variety of activities for our groups to enjoy, and this often means that we need to take public transport and/or book sessions with external organisations for specific times. Because of this, it is very important that the group are able to depart on time. If you are running late, as a courtesy we ask that you call us as soon as possible to let us know. If we have not heard from you and it is more than ten minutes past the scheduled start time, unfortunately the group will need to leave and you may miss out on attending the session.

BEFORE & AFTER HOURS SUPPORT/TRANSPORT

At Leisure Networks we understand that working parents may require extra support during school holiday periods. As such, we are happy to accommodate requests for before or after hours support. To assist us to provide this service, we ask that all requests for extra support are received with at least two weeks prior notice. Extra support is deemed anything earlier than 10 minutes prior to the start of a scheduled activity, or any time after the scheduled finish time. NDIS charges apply for these supports. Home pick-ups/drop off's can sometimes be arranged.

Please call us on
5222 3911
to discuss any extra support requests.
