## Payment

Out of pocket costs will vary based on the type of activity the group are participating in. For cash payments or assistance with bookings please call (03) 5222 3911 or email [assist@leisurenetworks.org](mailto:assist@leisurenetworks.org).

# what you need to know

## Provider Travel Costs

New charges will be applied as per the new price guide 1.7.22 which will be detailed at the time of booking.

## What to Bring to your Activity

We ask that you please bring the following to all activities; backpack with food/snacks (or money to buy), water bottle, companion card (if you have one), myki card and appropriate clothing/footwear based on activity detail. The team will send a reminder and also notify you closer to the activity if there are any other additional items to bring.

## Changes to Programs

Whilst the utmost care is taken to ensure the scheduled activity is available at the time and location advised, there may be times where slight changes may be required to ensure maximum enjoyment out of the day. This may include circumstances regarding weather, public transport and availability of activities. Where possible, should there be any changes to your scheduled activity, a phone call or text will be sent at least 24 hours prior to the start of the session.

## Ratios and Staffing for Safety

This program is suitable for people who can be supported in a small group of between 3 and 5 people. If you require 1:1 or 1:2 support please call us to discuss. Please note, you will be charged at the appropriate rate depending on the size of the group, noting group size may vary between activities.

Safety of our customers and staff is paramount at Leisure Networks. To ensure our groups have a fun & safe time with us please note:

- ✓ Staff ratios will be based on activity risk level and location.

## Funding

Booking and paying the out of pocket costs via the website registers your place on the program, however final confirmation is completed once we ensure you have the sufficient and appropriate NDIS funding available. A new service booking may be required to confirm your place and the LN team will work with you to arrange this.

## The Importance of MYKI

As we use public transport for a lot for our programs, it is vital that all participants have an active MYKI card that is loaded to allow for transport to and from Melbourne (approximately \$15) and around Geelong. No MYKI may result in you not being able to attend the booked activity.

## Alcohol Consumption Policy

During our program, there may be times where we visit venues that have alcoholic beverages for public purchase and consumption. As an over 18's program, customers may have the option if they wish to purchase a beverage with a meal. We do ask that whilst attending our activities, customers limit their purchases to two alcoholic beverages per activity.

## Departing on Time

We like to offer a variety of activities for our groups to enjoy, and this often means that we need to take public transport and/or book sessions with external organisations for specific times. Because of this, it is very important that the group are able to depart on time. If you are running late, as a courtesy we ask that you call us as soon as possible to let us know. If we have not heard from you and it is more than ten minutes past the scheduled start time, unfortunately the group will need to leave and you may miss out on attending the session.

## COVID Considerations

Leisure Networks is a Covid safe organisation following all current government restrictions and guidelines.
