APRIL - JUNE 2024

what you need to know

Provider Travel Costs

Charges will be applied as per the new price guide 1.7.23 which will be detailed at the time of booking

What to Bring to your Activity

Please bring the following to all activities: backpack with food/snacks (or money to buy), water bottle, companion card (if you have one), myki card and appropriate clothing/footwear based on activity detail. The team will send a reminder and also notify you closer to the activity if there are any additional items to bring.

Ratios and Staffing for Safety

This program is suitable for people who can be supported in a small group of between 3 and 5 people. If you require 1:1 or 1:2 support please call us to discuss. Safety of our customers and staff is paramount at Leisure Networks. To ensure our groups have a fun & safe time, staff ratios are based on activity risk level, location and group size. You will be charged the appropriate rate based on these considerations.

- ✓ Staff ratios will be based on activities risk level and location.

The Importance of MYKI

We use public transport for a lot for our programs, so it is vital that all participants have an active MYKI card that is loaded to allow for transport to and from Melbourne and around Geelong (min \$15 is recommended). No MYKI may result in you not being able to attend the booked activity.

Booster Seats

If your child currently uses a booster seat when travelling in a car, please contact us on (03) 5222 3911 to discuss how we can support their safe transport when in a Leisure Networks vehicle.

Funding

Booking and paying the out of pocket costs registers your place on the program, however final confirmation is completed once we ensure you have the sufficient and appropriate NDIS funding available. A new service booking may be required to confirm your place and the Leisure Networks team will work with you to arrange this.

Departing on Time

We offer participants a variety of activities, including bookings with external organisations, it is very important that the group depart on time. If you are running late, we ask that you call us as soon as possible to let us know. If we have not heard from you and it is more than ten minutes past the scheduled departure time, the group will need to leave and you may miss out on attending the session.

Changes to Programs

We take the utmost care to ensure all scheduled activities go ahead as advised. However, there may be times where we need to make changes to ensure maximum enjoyment and safety. Circumstances may include weather, public transport, availability of activities or insufficient numbers. We will notify you of any changes and discuss alternative arrangements.

Out of pocket costs

Out of pocket costs will vary based on the type of activity. We try and keep these costs as low as possible, however they are sometimes necessary to enable us to provide quality programs with new and exciting experiences.

All out of pocket costs must be paid to secure your booking, and you will not be able to take part in an activity if these costs have not been paid prior to attending.

For cash payments or assistance with payments please call 1300 561 802 or email: assist@leisurenetworks.org

Cancellations

If you need to cancel a session with Leisure Networks, please let us know as soon as possible by calling the office and registering your formal cancellation:.

During business hours

Mon-Fri 8.30am-5pm: 1300 561 802

Out of business hours: 0434 537 846

Cancellations and refunds will be considered as per your service agreement with Leisure Networks.

Before & After Hours

At Leisure Networks we understand that sometimes extra support may be required and we are happy to accommodate your requests for additional support before or after a program. To assist us to provide this service, we ask that all requests for extra support are received with at least two weeks prior notice. Extra support is deemed anything earlier than 10 minutes prior to the start of a scheduled activity, or any time after the scheduled finish time. NDIS charges apply for these supports.

Please call us on
1300 561 802
to discuss any extra support requests.

After hours
