what you need to know...

MYKI Public transport

We use public transport for a lot for our programs, no MYKI may result in you not being able to attend the booked activity. All participants need an active MYKI card loaded with at least \$15.

COVID Considerations

Leisure Networks is a Covid safe organisation following all current government restrictions and guidelines.

Ratios & Staffing for Safety

This program is suitable for individuals who can be supported in a small group, typically with a staff-to-participant ratio of 1:3, though if you require more individualised support, such as a 1:1 or 1:2 ratio, please contact us to discuss your specific needs. Please note that fees will be adjusted according to the group size and your ratio requirements, which may vary depending on the activity. To ensure a fun and safe experience, staff ratios will be determined based on the level of risk associated with the activity and its location.

NDIS Support Cost

Charges will be applied as per the 01.07.2025 price guide which will be detailed at the time of booking.

Extra Expenses

There may be extra expenses depending on the activity. This will be communicated prior.

Funding

Booking and paying the **Out of Pocket** costs registers your place on the program, however final confirmation is completed once we ensure you have the sufficient and appropriate NDIS funding available. A new service booking may be required to confirm your place and the Leisure Networks team will work with you to arrange this.

Running late?

As a courtesy we ask that you call and let us know. If it's more than 10 minutes, unfortunately the group will need to leave and you may miss out on attending the session.

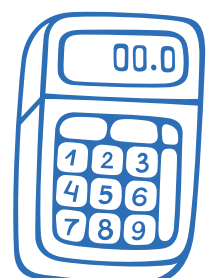

Changes to Programs

There may be times where slight changes are required to our programs to ensure maximum enjoyment and safety. This may include circumstances regarding weather, public transport, availability of activities or insufficient numbers. We will notify you of any changes to your scheduled activity by a phone call or text, and discuss other options if available.

Out of pocket costs

We try and keep **Out of Pocket** costs as low as possible, sometimes they are necessary. All **Out of Pocket** costs must be paid to secure your booking. For cash payments or assistance with payments please call (03) 5222 3911 or email: assist@leisurenetworks.org
